O R D E R

On May 14, 1992, American Teletronics Long Distance, Inc. ("American Teletronics") submitted an application for a Certificate of Public Convenience and Necessity to operate as a reseller of interexchange long distance telecommunications services within the Commonwealth of Kentucky.¹

In response to a data request dated June 12, 1992, American Teletronics indicated it has provided service to two customers in Kentucky without Commission approval. American Teletronics Response, titled "First Addendum to Application", is attached hereto and incorporated herein as Appendix A.

Accordingly, the Commission finds that a prima facie case has been established that American Teletronics failed to obtain a

certificate from the Commission prior to collecting compensation for such utility service resulting in a violation of the provisions of KRS 278.020 and KRS 278.160.

IT IS THEREFORE ORDERED that:

1. John C. Paulsen, president of American Teletronics, shall appear at a hearing scheduled September 17, 1992, at 10:00 a.m., Eastern Daylight Time, in Hearing Room 1 of the Commission's offices at 730 Schenkel Lane and be prepared to show cause why American Teletronics should not be penalized pursuant to KRS 278.990 for failing to comply with KRS 278.020 and KRS 278.160.

2. American Teletronics shall immediately stop charging for any and all telecommunications services within the Commonwealth of Kentucky.
